

Cold, Dry Weather Continues Here; Lake Still Drops

The U. S. Forest Service here is predicting another dry year as storms which ordinarily plague this area during January apparently are all going north, leaving little or no precipitation for this region.

A light snow, measuring three inches at the forest service station brought 14 of an inch of precipitation last Friday, but brought the season's total to only 5.87 inches or far below the average for this time of the year. The average precipitation for the end of January is 17.77 inches, Nelson Stone, fire control officer for the Truckee District of the Tahoe National Forest, reported.

Continued cold weather has been recorded, with a low of minus seven registered Monday morning and a minus two on Tuesday.

TAHOE CITY—Continued cold dry weather has caused the level of Lake Tahoe to continue to decline and Monday it registered 6222.63 feet.

Four and a half inches of snow fell at Tahoe City Friday and Saturday to leave .24 of an inch of precipitation. The temperature dropped to a chilly five degrees Sunday morning and a high of 39 was recorded last Thursday.

Directors Named For Local Chamber

Twenty members of the board of directors of the Truckee Donner Chamber of Commerce were selected at yesterday's meeting held at Smart's.

With the new officers, President Richard Higgins, Vice President Daven Morey, Treasurer Patsy Tonini and Manager N. F. Dolley, the board immediately started work on the 1962 program which will include promotion for the March 13 election to provide a recreation district and plans for the dedication of the Donner Park museum.

President Higgins said that one project high on the list will be taking steps to keep the streets in the business areas clean.

Members of the board of directors are Ivan Toffi, Walter Barrett, Cecil Edmunds, Ben R. King, Reg Smart, Posten Wilson, Eve Popovich, Richard Walker, Charles Osburn, Zeph Rose, Henry Tapia, Richard Swanson, Edward Aweeka, Paul Van Vliet, Betty Kielhofer, Francis Longo, William Keller, William Mills, William Englehart and Dan Horman.

The directors yesterday voted to employ Dolley as manager for the year at a salary of \$50 a month.

DEER FACTS GIVEN AS SPORTSMEN MEET

Sportmen generally agreed at the meeting of the Truckee Outdoor Sportsmen Friday that steps are necessary if deer hunting is to be perpetuated in this district but no official action was taken, according to Director Charles Osburn, a leader in the club's conservation program.

Some pertinent facts were revealed by George Wurst, local fish and game manager, who said that during the season just closed there were 241 bucks validated on the east slope of the Sierra in Nevada County and 110 in the same area of Placer County.

Wurst also reported that an unofficial check following the season showed there were approximately eight bucks to every 100 does, while the previous years figures showed from 13 to 16 per 100.

Some sportsmen suggested that an area be closed to hunting to permit the buck and fawn population to increase in a refuge. Others suggested that a controlled hunt to kill both does and bucks be inaugurated.

LOCAL GIRL NAMED IN COLLEGE VOTING

In the most dramatic election campaign held in recent years at Sierra College, students chose a last minute write-in candidate, Robert Poirier of Loomis as their spring student body president. Poirier announced his candidacy only 24 hours before election day last Friday and sneaked in ahead of his hard campaigning rivals by eight votes.

In other election results, Jo Anne Jellin of Truckee and Mike Latonee of Auburn were chosen as women and men athletic representatives.

FOOD IS MISSING IN ROBBERY AT TAHOE

TAHOE CITY—Officers were called to investigate a burglary at the Granville Abbott home on the Truckee river and found that only food which had been eaten there had been taken.

It was discovered that another nearby house had been entered but it was not immediately determined if anything was missing.

Officers also reported a break-in at a hot dog stand near the Kings Beach Bowl, but apparently nothing was taken.

Six Accidents Are Reported In Area By Local Patrol

Six reportable accidents were investigated by the California Highway Patrol during the week.

Mary Ellen Baker, 21, Roseville, suffered major injuries and was treated at the Tahoe Forest Hospital after a car driven by Lavaghaugh F. Baker, 22, skidded on the ice a mile west of Floriston and plunged down a 100-foot embankment. Baker and a second couple in the vehicle escaped injury. The accident occurred Saturday at 1:35 p.m. and was investigated by Patrolman Robert Horton.

James R. Coleman, 35, Kentfield, and Lamarr T. Holt, 47, Sacramento, escaped serious injury Friday when the former applied his brakes and skidded head-on into the Holt car near Carnelian Bay at 11 a.m.

James M. Poston, Jr., 34, North Carolina was cited for being on the wrong side of the highway

Mothers Drive For Dimes January 23

KINGS BEACH—Working to exceed their very successful quotas of past years, members of the Auxiliary of Veterans of Foreign Wars, Post 7077 of Crystal Bay will hold their annual Mothers March of Dimes on Tuesday, January 23 and are requesting all residents of the area to leave on porch lights and tie up the family dogs, during the visits of the fifteen or more members who are volunteering for the most worthy cause.

Jack Neugebauer will hold a Kiddies Show at Brockway Theatre on Sunday, January 21 which will also raise money for the campaign for funds.

Canisters will be placed at convenient places so that every one can contribute even though not otherwise contacted. PLEASE GIVE FOR SOMEONE'S LIFE AND HAPPINESS.

FOUR BABIES ARRIVE AT LOCAL HOSPITAL

Four babies were born at the Tahoe Forest Hospital during the past week.

Dean Martin Hansen, 6 pounds, 10 ounces, was born January 11, to Mr. and Mrs. Jerry Ellis Hansen of Crystal Bay.

On January 12, Susan Ann Handy, 5 pounds, 14 ounces, arrived for Mr. and Mrs. Norman P. Handy of Truckee.

Rebecca Ann Spillner, 5 pounds, 10 ounces, was born January 16 to Mr. and Mrs. Charles J. Spillner of Truckee.

Yet to be named is a baby girl born January 17 to Mr. and Mrs. James M. Orr of Tahome.

NATIVE OF TRUCKEE EXPIRES IN NEVADA

Frank J. Rivers, 74, a native of Truckee and a retired printing pressman, died at his home in Reno Sunday. Funeral services were held yesterday at Reno with burial in the Mountain View cemetery.

Rivers, a Shoshone Indian, was one of the first to receive a formal education at the Stewart Indian School in 1903. He spent his entire life working in the printing and newspaper plants in Reno.

APPLICATIONS ARE STUDIED FOR POST

AUBURN—Nearly a score of applications for the position of county public works director, a position left vacant when Bruno Bacci was forced to resign amid a flurry of charges and counter charges, are being reviewed by the Placer Board of Supervisors.

Following a long executive meeting, Supervisors Robert Radovich, Thomas E. Doyle and William Briner voted against Bacci, with Supervisors J. O. Anderson and Frank J. Paoli voting for him.

FRIDAY IS FINAL DAY FOR REGISTRATION

Tomorrow will be the final day to register to vote for the proposed recreation district on March 13. Mrs. Eve Hallett, deputy registrar of voters, who is in the office of the Truckee Public Utility District said residents of the district must be registered before Friday, January 19 to be eligible to participate in the election.

Business Gain In Area Is Shown In National Report

Nevada County listed 0.9% more businesses in 1961 than in 1956, according to a report released by Dun & Bradstreet.

Grass Valley realized a 4.1% increase, Truckee a 2.6% increase and Soda Springs a 9.0% increase in the number of listed businesses for the same period, while Nevada City suffered a drop of 11.1%.

"There were 432 businesses listed this past year in Nevada County which is an increase of 4 businesses over 1956," said R. F. Cathcart, district manager of the San Francisco office of Dun & Bradstreet.

Basing his facts upon the figures in the current November 1961 Reference Book, Cathcart points out that the 47 counties of Northern California showed an increase of 11.6% for this five year period.

The Reference Book lists only manufacturers, wholesalers, retailers and some service companies, such as gasoline service stations and laundries. It does not include all professional and service businesses such as barber and beauty shops, real estate and stock brokers.

Using the Dun & Bradstreet Reference Book listings as a guide, it shows that Grass Valley in 1956 had 240 listings compared to 250 in 1960 for a gain of 4.1 per cent. Nevada City went from 90 listings in 1956 to 80 in 1961 for a loss of 11.1 per cent.

Truckee gains 2.6 per cent when the listings went from 76 to 78 and Soda Springs went from 11 to 12 for a 9 per cent gain.

LODGES INSTALL AT JOINT MEET HERE

At joint installation ceremonies for the Odd Fellows and Rebekah Lodges held last Wednesday, Margaret Avila was seated as noble grand of the latter group and Richard Quist was installed as noble grand of the Odd Fellows.

About 150 attended the ceremonies in the Odd Fellows hall. Naomi Rebekah Lodge officers were installed by Gladys Clemo, district deputy president, her marshal, Hazel Browning and staff all of Grass Valley.

Julia Davis was installed as vice grand; Callie Kydd, warden; Lucille Bick, musician; Dorothy Slack, chaplain; Laura Horman, treasurer; Paula Quist, financial secretary; Dorothy Stice, recording secretary; Janet Franklin, r.s.v.g.; Pearl Heller, r.s.v.g.; Sadie Fields, l.s.v.g.; Candy Walker, inside guardian; Elsie Olson, outside guardian. Esther Russell and Doris Wright were appointed altar bearers.

The Odd Fellows seated Ted Franklin as vice grand. Their installing officers were from Colfax.

Refreshments were served by Lucille Bick, Elsie Olson, Eloise Stowe and Dorothy Slack. The hall was decorated with gold horse shoes and green shamrocks, accented with water lilies, the motif for the year.

SQUAW BARTENDER IS FINED AT TAHOE

TAHOE CITY—John Charles Dunklee of Sacramento was fined \$100 for furnishing liquor to a minor while tending bar at Squaw Valley, New Year's Eve.

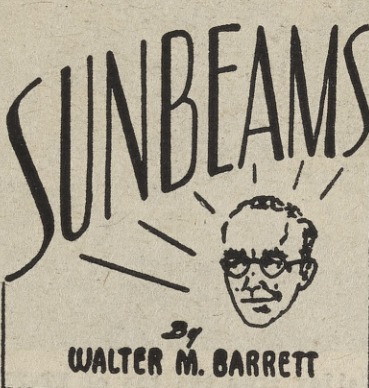

Judge Robert Fugazi of the Tahoe Judicial District Court suspended \$50 of the fine. Another Squaw Valley bartender, Jan Hugh Harris of North San Juan, Nevada County, was scheduled to appear on a similar charge Tuesday.

FIRE HITS HOME AT C BAR B TUES. EVE

Fire starting from an overheated chimney at the Clinton Brines home at the C Bar B Ranch Tuesday night did considerable damage to the roof but the home was saved through the efforts of volunteers including the Truckee Volunteer Fire Department which responded to a call.

Mrs. Brines was treated for frost bite on one hand, the only casualty of the fire.

AWARD CONTRACT
SACRAMENTO—(CNS)—The state department of public works has awarded a \$10,990 contract to Dave Whelan Plumbing and Heating, Inc., Sacramento, for modifications to the sewage treatment plant at Squaw Valley state park.

Currently, the new March of Dimes is underway and while there seems to be little activity locally to subscribe funds for this worthy cause, the ladies of the VFW Auxiliary at North Lake Tahoe are again going all out to set a new record. They have set Tuesday, January 23, as the day for the Mothers' March of Dimes and will attempt to contact everyone in the area. Each year this organization devotes long hours and much effort in the drive and we believe they are entitled to a lot of credit for their task. Every year the amount collected exceeds the previous year's total, indicating the growing interest in the project. This week's bouquet certainly goes to the auxiliary ladies for a good job, well done.

With the advent of the new year and the selection of a new corps of officers, the Truckee Donner Chamber of Commerce has a major task in store for 1962. There are many major items on the agenda for the year but a minor one which will be given high priority and which is certainly important is keeping the streets clean. President Dick Higgins said that this seemingly unimportant project will go a long way to make the shopping districts more appealing and we agree whole heartedly. Even a weekly cleanup would do wonders and the new president should have full cooperation on this item.

INVESTIGATION INTO FIRES IS CONTINUED

RENO—District Attorney William Raggio has asked four or five persons interviewed last week by the Washoe County Grand Jury in its investigation of fires at Lake Tahoe's north shore to submit to lie detector tests.

A total of 15 persons were interviewed by the grand jury. Raggio did not reveal the identity of those he has asked to undergo polygraph examinations.

The district attorney said he suspected arson in the three blazes which occurred on Saturday nights at three week intervals and destroyed two \$30,000 houses and the headquarters of Crystal Bay Development Company.

CALL IS ISSUED FOR WOMEN BOWLERS

Mrs. Frank Zuber has issued a call for women bowlers.

A league is being formed at the Kings Beach Bowl on February 6 at 10 a.m. and while a local group has a sponsor it is short of bowlers, Mrs. Zuber declared.

"There will be more beginners than experienced bowlers," she declared, "so don't be afraid. It's fun and gets you away from the winter doldrums." She added that plans will be worked out for those with children.

Those interested may call LU 7-3669 in Truckee or LI 6-3563 at Kings Beach.

DONNER SKI RANCH WINS IN SKI MEET

DONNER SKI RANCH—Led by Pat Formicelli and Ed Heusen of Berkeley, Donner Ski Ranch won the first annual Thunderbird team trophy giant slalom here Sunday.

—Dick Dorwart of Reno and Norm Saylor of the winners posted excellent 49 second runs for the 32-gate course. Veteran Jack Gutirici of the Squaw Valley squad raced down the 1,400-foot slope in 44.4 seconds, fastest time of the day.

On Fire Board

Dr. Alan Sklar has been appointed a member of the North Lake Tahoe Fire Protection District's board of commissioners. He will fill the term of Robert Howell, who recently resigned. The term ends in April, 1963.

Wolverines Meet South Tahoe Here In Saturday Game

Tahoe-Truckee High School eased to a 67-59 victory over Loyalty in a basketball contest here Saturday night.

The Tahoe-Truckee Wolverines started their second string and then utilized their usual starting quintet in the second quarter.

The Loyalty team led at the end of the first quarter 14-7. However, the Truckee cagers had it their way from then on as they pulled to a 36-37 half time edge.

Benny Ferrari led the winners with 25 points. Ken Carr did a good rebounding job for the Tahoe-Truckee squad.

Jim Weathers and Richard Powers led the Loyalty team with 16 points apiece.

In preliminary action the Tahoe-Truckee Junior Varsity beat Loyalty's J.V. team 51-39. Steve Besio was leading scorer for the Truckee team with 16 points. Gordon Powers led the Loyalty team with 11 tallies.

The Wolverines' traditional rivals, the South Tahoe Vikings are scheduled to play on the local court Saturday night, the JV game at 6:30 and the varsity tilt at 8 p.m.

Committee Named For Museum Fete

Plans for the dedication of the new Donner State Park museum are going forward under the sponsorship of the Truckee Donner Chamber of Commerce.

Although the dedication is not scheduled until Admission Day, September 9, there is much preparation and planning in the meantime and Chamber President Richard Higgins has named a committee to handle the arrangements and details. This committee includes N. F. Dolley, chamber manager, chairman, Daven Morey, Walter Barrett, Jack Stowe, Cecil Edmunds, George Brown, Patsy Tonini and F. W. Wilson.

It is proposed to have a real celebration at the dedication, with state and county officials participating in the program. State beaches and parks officials will lend a hand in arrangements and take part in the dedication.

Selection of the committee was announced at yesterday's chamber meeting at Smart's.

COLORADO ESCAPEE ADMITS THEFT HERE

John Robert Bennett, 28, an escapee from the Colorado state home and training school at Grand Junction, arrested in Bakersfield on a burglary charge, has admitted, according to word received by local officers, that he broke into two houses in the Donner Summit area.

Chief Deputy Roy Waters said one of the houses has been identified as that of George Barnes of Reno, although nothing was reported missing after the break-in was reported January 7.

Bennett will be returned to Colorado.

FOREST SERVICE TO OPEN NEW OFFICES

Open house at the new headquarters of the Tahoe National Forest at Nevada City will be held Sunday, January 21 between 1 and 5 p.m., Supervisor Henry E. Branagh announced. There will be no dedication or speeches. The Nevada City Chamber of Commerce and auxiliary will help with the program and light refreshments will be served.

FOUR BICYCLES ARE FOUND NEAR RIVER

Four bicycles, believed to have been stolen, have been recovered by the sheriff's deputies and are at the local jail where owners may claim them by calling and identifying their property.

Sergeant Roy Waters said the vehicles were found near the Vind Construction Company plant on West River street. They had been tossed over the bank of the Truckee river.

LYNN MAGILL OF Kings Beach, is in the Carson-Tahoe Hospital, recovering from a broken leg.

Shortcut Work Is Authorized After Supervisors Meet

Work to complete the realignment and surfacing of the Brockway shortcut is expected to be started as soon as weather conditions permit.

According to word from Auburn, the Placer County Board of Supervisors has decided to complete the final improvements at a cost of \$322,000.

At a meeting last week, the board authorized the department of public works to go ahead with awarding the contract for the completion of the three miles just north of Kings Beach. The federal, state and county governments will combine to finance the project.

Work on the Nevada County portion of the route and all but the three miles of the Placer County section have been completed.

Redistricting For Lake Area Studied

TAHOE CITY—The Placer County Board of Supervisors next Tuesday will appoint a redistricting committee to study the boundaries of all supervisory districts in the county.

State law requires the committee be appointed by March 1 and it must report back to the board within six months.

This action was taken last week when initial steps were taken by the board for setting up new boundaries for the supervisory districts in the eastern end of the county, placing all of Lake Tahoe in Placer County in District 5.

At the present time, districts four and five represent residents in the Lake Tahoe area. County Engineer Jack Little was directed to prepare preliminary descriptions of the new districts. No change in the other three districts was discussed.

Supervisor William Briner said the Lake Tahoe area has grown sufficiently to be represented by one district.

RICHARD JELLIN IS IN PACIFIC EXERCISE

COAST OF CALIFORNIA—(FHTNC)—Richard J. Jellin, seaman apprentice, USN, son of Mr. and Mrs. Walter Jellin of Truckee, Calif., serving aboard the destroyer USS Black, is participating in Exercise "Air Gun" off the Coast of California.

The eight-day exercise, scheduled to begin Jan. 12, consists of 15 ships of the First Fleet.

Training maneuvers center around a fast carrier striking force which is subjected to air, surface and submarine attack. The striking force will be replenished at sea by an oiler and an ammunition ship.

FUSE IS BLAMED AS AREA POWER FAILS

An overloaded feeder line to the Gateway Park district Friday night at 5:30 o'clock resulted in a fuse blowing on the Truckee Public Utility District's line near the Veterans' Building and the affected area was without power until 2 a.m. Saturday.

District Manager Francis Longo explained that while the trouble was quickly located a technical error prevented the repair from being effective. Frank Gaennie and Eugene Gini of the Sierra Pacific Power gave aid in correcting the fault, Longo said.

RENO MYF GROUP TO GIVE PROGRAM HERE

Members of the M.Y.F. of the First Methodist Church at Reno will be here Sunday afternoon, January 21 at 2 p.m. to put on a program for the local M.Y.F. group at the social room of the church of the Mountains. All Junior M.Y.F. members are urged to attend. Mrs. Marcia McLane is in charge of the local group.

VANDALISM PROBED BY TAHOE OFFICERS

TAHOE CITY—Gordon Moyer told police that an advertising sign on the driveway to Tahoe Tavern Heights had been torn down by vandals.

Herman Henke of Tahoe City reported that a plate glass window at the Tahoe Marina Lodge was shot out with a BB gun and that other damage to the premises had been done.

Class Date Change

The instruction classes to be given by Father Coffey of the Assumption Catholic Church will start on January 25 instead of the third Thursday of January as previously announced. The time is 8 p.m. at the Parish House and interested persons may call LU 7-3595 or LU 7-3022 for more information.

Improving—Cliff Ellis is reported to be recuperating following an operation.

CLOSING DATE FOR CONTEST ANNOUNCED

Tahoe-Truckee High School students today were reminded by Dr. Marvin I. Schwartz that the Safer Driving Through Better Vision poster and essay contest, conducted by the Sacramento Valley Optometric Society, ends Friday, Jan. 26.

Dr. Schwartz said entries of local winners will be submitted for area judging to be held in Sacramento next month (February). Cash awards will be given the first three winners in each division at a banquet February 28 at the Sacramento Inn.

The annual safety contest is co-sponsored by the Vision Conservation Institute and the California Highway Patrol.

Johnny Johnson, 61 and Cherry Calhoun, 45, both of Tahoe City were issued a marriage license at Reno.

SUMMIT SCENE

By FRAN COLLILLARD

The Soda Springs "Personality Picture Gallery" is about to come into being. Saturday evening a good humor medicine man by the name of Wirk — and don't ask me anymore about his name — blew into the Soda Springs Lodge with a wavy portfolio, lighting paraphernalia, easel and reams of paper and did up the mountain in caricature! As his "material" was such that could be caricatured we invite you to come to the lodge and see the gigantic picture frame that protects about fifty of these exaggerated images — from the kids with their dogs to the stately ones, who "broke down" and sat in the light of the reflector. E'en 'ho' they knew that that long nose, that double chin, that hidden dimple, that erstwhile mole, that bald head, that cocked eyebrow was about to be exploited, they took their place in the swim. As time ran out of the hour glass on Saturday night — this traveling tactless crayon wielder smilingly turned up again on Sunday evening and finished up the line of eager beavers who wished to find what facial characteristic trait predominated. The gigantic picture — this mural of exaggeration — this conglomeration of predominant facial characteristics — will be ready for the public view as soon as Bill Cannon gets the frame made. Such an exciting wall we have never seen.

Last Saturday we witnessed our first "train" coming up Highway Forty. We glanced out of the front window about 8:30 a.m. and saw the nose of a yellow bus rounding the bend. That would have ended it but the nose of number two was smack on the bumper of number one, and as we watched they kept coming and coming, nose to bumper and nose to bumper for an incredible length of time. This was part of Jim Winther's program — Jim Winther, the ski school director of Soda Springs Ski Hill — who holds some kind of title with

This is spectacular Squaw Valley from the top of KT-22. The Valley is being used by thousands of Californians — the 1,200,000 who visited the Valley during 1961 doubled the attendance figure of the Olympic Games year.

the San Juan School District of Sacramento. Jim is out to teach the whole darned school district to ski and by the looks of the well packed school buses that came up the highway evidently the whole darned San Juan school board stands firmly behind Jim's idea of training the "skier of tomorrow".

Seems like our snow dance did some good — but not for so long a time as we needed it! Enough to cover the rocks and stumps anyway — but may we suggest a concentrated effort on this snow dance? A community project perhaps? We can offer skiing and tobogganing with a few feet at a time — but what becomes of the precious water that the valleys are looking up to us to send them? (Kind of feel that we are letting them down, don't you?)

Don't know of any terrific push to get new registrations from those who are "old enough to vote" — either by age or point of residence but I do know that a new registration book from John Tranner sent me has a note on it that says "Deadline for registration — January 18th" — and oh yeah — "Parks and Recreation District" is etched in at the bottom of said note. So . . . you know where I am.

So — we'll dig around in our litter of notes, memos and scribbles and see what has been cooking.

Hear from Bend Ranger Station that Pete Wycoff — V.I.P. at Big Bend, is in Missoula, Montana for a "Leadership Conference" and that he was picked by the State Forest Service Department to be their representative. Quit a signal honor!

And we found out that from our area went Fran and Howard Dragoo and Jim and Eula Sherritt all to the East-West game in San Francisco.

And we are going to make this a short one — because Walt Barrett says that we must meet a particular dead line with our Scene — and as everything is happening tonight (such as our Community Club Ski Swap meeting and Pot Luck) we can't report the event as yet — so that will have to wait.

But we will finish by saying that we walked into Donner Summit Lodge and saw Henrietta Gangler behind the desk! "What are you doing back there?" we asked — our eyes bugging out! Well — it all boils down to the fact that one of these newcomers found out soon

DONNER DOINGS

By VIRGINIA O'BEAR

We finally got some more snow and even though it wasn't much it helped ski conditions. There seemed to be quite a few skiers in the area over the weekend and if any of you happened to be going by our place Sunday afternoon about 4:30, you would have witnessed a sight! A young couple decided to set up house keeping out on a pier sitting way up high away from the water! The pretty young skier decked out in her matching ski outfit, fluorescent wool cap, gloves and socks, nonchalantly cooked their dinner on a little camp stove her husband had trouble setting up. After they had finished with their dinner in the cold air overlooking beautiful Donner Lake, they cleaned up their mess and headed for home!

Mrs. Arnold Verdi underwent surgery last Friday at the Washoe Medical Center in Reno for a fractured and ruptured disc in her spine. Her son Gene said she is recovering nicely and is allowed visitors any time since she is in a private room. She is in room

enough that he wasn't cut out to be a hotel operator. Gene Samuelson just didn't care for the business and decided not to become a frustrated mountaineer in the wrong business. He just up and said so. Packed his bag and left. So George and "Henry" are back and we understand (according to "Henry") that Clyde and Tommy Lou Burkley will be back shortly, too. And we don't know whether they (this foursome) like the move or not — but we are really happy to have them back — even tho' it may be for an indefinite period. But we do know one in that group that will be happy and that is little Tommy Gangler who wept copious tears when he left this area last Fall. Tommy who "wring" the fullest from these mountains — skiing, fishing, hunting, didn't want to move to "a dirty old big city." So welcome back old timers! And look out you veteran skiers — Tommy Gangler will be on that there ski hill to run circles around you.

Sorry — we're short — but that's it at the present.

Frankly Fran

A lot of you people might like to be reminded of the 18th annual San Francisco Sports and Boat Show which will be held at the Cow Palace February 2nd to 11th. We have attended several of these shows and the information is valuable. You get to see the latest in boats, trailers of all kinds, fishing and hunting gear as well as helpful hints on how to get the deer that always goes over the mountain or the big fish that always seems to get away. Living in the wonderful area of wild life and hunting and fishing, it is good for all of us to know about our country and what to tell our thousands of tourists who come here each year. Whether we indulge in the sports or not, the Sports and Boat Show would be interesting for the whole family!

The officers of the Donner Lake Volunteer Fire Department Auxiliary held their meeting Monday evening at the home of Mrs. Ray Wisner. Many things were discussed concerning the coming card party and some good ideas for getting some necessities for the firemen. The regular meeting will be this Thursday evening at Donner Lake Lodge with dinner to start promptly at 7:30. Hostesses are Olga Welch and Clarice Richards and the main course of the dinner will be chicken and dumplings. At the conclusion of the ladies board meeting Monday, Muriel served a delicious homemade persimmon pudding and coffee.

There is an election coming up on March 13th concerning our area. A lot of people would like to know a little more about it so why not attend a Truckee Donner meeting soon and get the particulars. The chamber meets at Smart's at noontime and the meetings are scheduled for the second and fourth Wednesdays of every month.

WHAT'S DOING

L. R. deGallery, your Telephone Manager in Tahoe City

Advanced Wiring Now Available in Lake Area

Jack Farris, former Plant Service Foreman, is now the Telephone Company Engineer. He will be glad to talk over a complete telephone plan with you. Please call JU 3-4101 collect or your local Telephone Company Business Office.

You can add beauty, comfort and increase value to a home by planning in advance for telephone outlets, just as you'd arrange for electrical outlets.

In the modern well-planned home, enough outlets are provided, and in the right places, to fit your family pattern of living. Furniture groupings are carefully considered. So are possible future changes in the use of rooms.

Telephone wiring channels connecting the outlets are concealed within the walls. It is recommended this is done before plaster or wall board is applied.

With a little planning the beauty, comfort and security of a telephone planned home can be yours.

We would like to advance wire your house for telephone service at no cost to you.

You wouldn't think so to look at it, but your telephone is a really complex arrangement of 472 separate precision parts. Spread out, they'd cover a desk top! Yet teams of skilled people at Western Electric, manufacturer for the Bell System companies, can make a phone from scratch in just about 45 minutes.

At Western Electric's main plant some 30,000 telephones a day come off the assembly lines. This takes plenty of technical know-how. It also takes a constant search for new and more efficient processes, tools, and work methods.

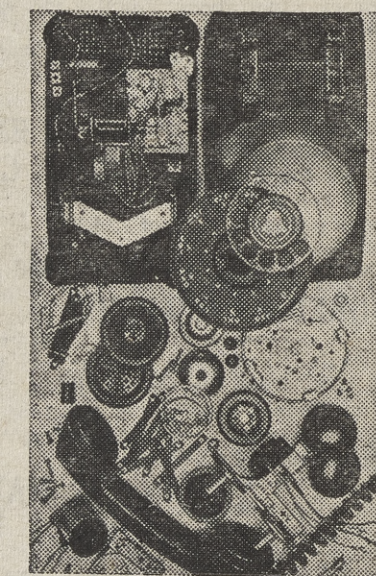

The result of this teamwork: keeping up with California's and the nation's fast-growing telephone needs with high quality products that help us serve you better.

Unusual uses for telephone books. One of the telephone companies received an order from a South American fruit

company for 800 telephone books — Yellow Pages and all. Turned out they were to be bullet-proof a truck against bandits!

It figures — when you need help, you'll find it fast in the Yellow Pages!

Your Home May Need Up To Date Wiring

It's so annoying to have a fuse blow in the midst of a busy day.

Blown fuses are one sign that your home's wiring needs a checkup — to be sure it's keeping up with growing use of electricity.

See your electrician today about a wiring checkup for your home, so you can enjoy better living electrically!

TAHOE TRUCKEE SCHOOL NEWS

DONNER TRAIL SCHOOL
PRIMARY ROOM—The study of sound in our science class has been interesting. Several of the students made roaring lions from oatmeal boxes and the tin can telephone is lots of fun.

The third grade girls, Debbie McGee, Gayle Payne and Bonnie Hampton put on a puppet show for us. The rest of the class would like to put one on of their own.

GRADES 3 - 6—During Christmas vacation Darlene and Harold

Feathers moved to Grass Valley. Elizabeth and Randolph Baddely have moved just recently to our area. Their parents have taken over the Cisco Grove store.

This last Wednesday we started our ski program with 13 students from grades 1-6 participating. Those from our class include Debbie Zorich, Don McGee, Dennis Hampton, Susie Lummis, Nancy Jang, Gary Stivers, Deborah McGee, Bill Mason, Gayle Payne, Marcia Sult, Jill Vandergrift, Lynn Aro and Bonnie Hampton.

GRADE AA

Large, 2 doz. 98c

Maryanne Reichlan, treasurer.

FIFTH AND SIXTH GRADE—The pupils deserving a lot of credit for effort and improvement are: Lorene McCarrall, Rod Conine, Claudia Rhoades, Steve Silveri, David Curtis, and Connie Davis.

For the past week's art productions, Nancy Randol, Rod McCallen, Ken Weiler, David Goldsmith, Connie Davis, Tom Holleman, Bobby Goldsmith, and Tommy Romo's talents were judged best by the class.

In spelling, Bruce Leamon, Ken Weiler, Mike Brumley, David Curtis, Connie Davis, Marta Drewrey, Tom Harrison, Tom Holleman, Rod McCallen, Nancy Randol, and Richard Walker earned A's.

The A's in Arithmetic went to Lewis Denny, Sandy Ackerman, Bruce Leamon, Steve Silveri, David Curtis, Connie Davis and Phil Miedema. The Science discussion revealed that Mary Lou Randall, Rod Conine, Bruce Leamon, Steve Silveri and Fred Piercy knew the facts.

SIXTH GRADE—Thus far for this quarter, Dave Burgwin, Diane Daly, Shirley Davis, Pam Horman, Mike Kydd, Mike Larsen, Steve Neifert, Jennifer O'Beare, Linda Russell, Karel Sauby, Allison Spiller, Barry Waters, Jill Wurst, and Sheila Rosamond have received all A's or A- on their final spelling tests.

Grammar is providing trouble for some but those who are doing consistently above average work are: Dave Burgwin, Shirley Davis, Pam Horman, Mike Kydd, Steve Neifert, Karel Sauby, and Allison Spiller.

On the last arithmetic test before Christmas vacation the following received 100%: Dave Burgwin, Steve Neifert, and Jill Wurst. Bill Hobbs has been showing the most improvement in this area.

Pam Horman, Steve Neifert, Jill Wurst, and Sheila Rosamond are proving to be the best public speakers. These grades are obtained by orally reporting current social and mainly political events.

John Clark, Jennifer O'Beare and Karel Sauby are showing the most continuous improvement in penmanship.

SEVENTH GRADE—The officers for this quarter are: Donny Whiteneck, pres.; Bill Waters, vice pres.; Jane Allyn, secretary; Richie Smith, treasurer; Frank Cabral, sgt. at arms; Beverly Hollaman, librarian, and Susie Olano, reporter.

We have gained two new boys. They are Robert Becker, and William Rosemond.

SEVENTH GRADE—Last Tuesday, Jan. 2, Mrs. Baker's class elected class officers. They are: president, Bessie Bennett; vice pres., Julia France; secretary, Judy Ann Wescott; treasurer, Heidi Euer; and janitor, Bruce King.

EIGHT GRADE—In a recent Social Studies test those receiving A's were Mary Jane Miedema, Sherman Williamson, Barbara McCallen, Terry Stark, Aileen Leland, David Douglas, and Anne Morey. In English there were some interesting paragraphs written on responsibilities at school and at home.

Those getting A's were Anne Morey, Terry Stark, Barbara McCallen, Laurel Mason, David Douglas, and Sherman Williamson.

People getting 90% or above in Arithmetic were Barbara McCallen, Diana Pankoke, Bunny Board, and Terry Stark.

EIGHT GRADE—Mrs. Drummonds 8th grade elected class officers for January. The following were elected: Monty Straub, pres.; Don Stowe, vice pres.; Mike Burgwin, secretary; Walter Dallas, sgt. at arms; Mark Moore, treasurer;

Karen Walker, librarian.

Students earning A's in tests last week were: spelling: Chris Keller, Randy Russell, Bunny Board, Lorraine Davis, Diana Pankoke, and Connie Rhoades.

Composition: Bunny Board, Mike Burgwin, Diana Pankoke, Connie Rhoades, Mike Sullivan, Sherry Borden, Monty Straub and Lorraine Davis.

History: Diana Pankoke, Bunny Board, Lorraine Davis, and Donna Beasley.

Grammar: Monty Straub, Bunny Board, Mike Burgwin, Lorraine Davis, Donald Greene, Diana Pankoke, Connie Rhoades, and Dawn Maynard.

TAHOE LAKE SCHOOL

KINDERGARTEN—The following children of the A.M. class made the number to 10 with help: Steve Walling, Catherine Stark, Cathy Freeland, Mark Briner, Jean Pierre Legras, Mike File, Lynne Koll, Tommy Bull, Patricia Johns, Linda Thomson, Timothy Peterson, Lance Collins, Bobby Banta, and Barbara Orr.

The afternoon class voted the animal face, a spotted bunny, made by Janis Sampson to be the most original. Other interesting story illustrations were paintings of the Little Red Hen by Susie Kelley, Cynthia Beck, Christine Onorato, and Deborah Painter. Jennifer Pelletier did the Little Pine Tree.

FIRST GRADE—Lynn Cordone and Martha Tilton made perfect scores this week on the 51 word vocabulary test.

Perfect papers in printing were done by Martha Easton, Michelle Carnell, Patti Tilton, Britt Brolund,

NORTH TAHOE BRIEFS...

By BETHEL

Knowing the conditions on the North Shore due to the road work last summer, Charles and Madeline Moseley of Tahoe Vista circulated a petition as follows:

A Petition! To the California Division of Highways from the residents and business people of the Kings Beach, Tahoe Vista and Carnelian Bay area. Because we know that another season of prolonged highway construction will bring financial disaster to our area . . . Because the highway from Dollar Hill to the Cottonwood Motel is as important to our season's business as the highway in Kings Beach itself . . . (As you know, people will NOT travel roads under construction if they can avoid it!) . . . Because as taxpayers, we are suffering a double penalty in that we must PAY for a highway that may well bring our financial collapse . . . Because it is of extreme importance that the Madonna Construction company come in as

early, finish as quickly as possible this spring . . . We are urging the California Division of Highways to INSIST that the Madonna company start work on Highway 28 at the earliest possible date, (which could be in April), with both adequate crews and equipment to quickly complete the job by June 15th.

Copies of the petition can be signed at Sandy Beach in Tahoe Vista, Biggs Lumber Company and Sergi's Grocery at Carnelian Bay, Lake Tahoe-Sierra Chamber of Commerce, North Tahoe Business Service, Town and Country Variety, Dr. Alan Sklar's office, Kings Beach Bowl, Stop N Shop, Howard's Chevron Station, Sipes Barber Shop, Pine Cone Fountain, all in Kings Beach, Hales Drug Store, Crystal Bay, and Crystal Bay Development office at Incline Beach.

The petition is not restricted to property owners or taxpayers — everybody can sign it. The above urge your support!

Fire Commissioners Ed Black, Ted Draney and Bud Polzin of Crystal Bay Fire Protection District announce the hiring of a new fire chief, Floyd Frakes of Van Nuys. Mr. Frakes comes to the fire department with previous service in the Washington State Forest Service and twenty years in the Van Nuys Fire Department.

Wife, Gloria, and son Bryan, 10 years old, a student in the Kings Beach Grammar school, constitute the Frakes family, which will occupy the new quarters of the fire department. Gloria will handle dispatching and the Frakes will take over their new duties about January 20th.

Our Lady of the Lake Guild met at the home of Pat Crow at Crystal Bay Thursday night. Among those present were Rena Jo Kingard, Eleanor Lorea, Frances Gerlitz, Gen Brockelsby, Millicent Courtney, Nora Ferrari, Jerry Nyday, Helen Chanda, Chris Hoffman, Paula Gurney, Ginny McDonald. Refreshments were served by the hostess and Ginny McDonald. Next meeting the first Thursday of February will be at the home of Helen Chanda at Agate Bay.

Felines held a board meeting Wednesday night at the home of Chris Hoffman at Tahoe Vista. Main topic on the agenda was the planning of the annual March cat party which is open to the public. Date and place will be announced. Hostesses Chris Hoffman and Louise Francis are planning a dinner meeting for January 23rd place to be decided. Present at the meeting were Marian Mueller, Wanda Brooks, Eunadell Crawford, Louise Francis and Chris Hoffman.

Lake Tahoe Sierra Emblem Club initiated five new members at their Monday night meeting at the Elks Lodge. President Jean Calhoun officiated at the ceremonies, which initiated Ella Rae Fulton, Linda Austin, Barbara Tanner, Kathryn Snyder and Artie Underwood.

A social evening at the Elks Lodge is planned for Monday evening January 22, 8:00 p.m. with Sophie Levr as hostess.

Lake Tahoe-Sierra Chamber of Commerce board of directors met today Thursday, January 18, at Homewood Resort at Homewood, for no host luncheon. Tentative agenda, according to President Selby Calkins, included finance, highways, advertising, publicity, membership and awards.

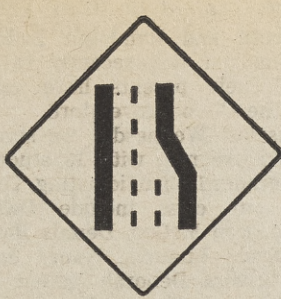

Soroptimist Club of Lake Tahoe met at the Crystal Bay Club Tuesday night. Ellen Sklar, treasurer, was appointed chairman of the service committee with Ruth Mizner, Mildren Mathias and Helen Beaverson as assistant. Project plans will be presented at the February meeting. Also scheduled for the February meeting will be the scholarship plans to be presented by the chairman, Mickey Mandeville.

V.F.W. Auxiliary met Thursday evening at the Crystal Bay Club with president, Pearl Draney, presiding. Two new members, Esther Horstman and Carol Harris were initiated into the group. The Mothers March of Dimes was set for January 23rd and will cover the area from Dollar Hill to Incline Beach. Louise Walter will be secretary pro tem to fill the vacancy created by Pearl Moore who moved to Reno. An official visit to the auxiliary will be made by the District President Veda Cronk at the February 8th meeting.

Toastmasters Club meet today, Thursday, January 18, at 7:30 a.m. at the Nevada Lodge for their regular semi-monthly meeting.

TWO NEW TYPES OF SIGNS WILL BE PLACED ON HIGHWAYS FOR MOTORISTS GUIDANCE

SACRAMENTO — Motorists will encounter two new types of signs on California's state highways within the next few months.

The new signs will use symbols to indicate courses of action to be taken by the driver. Studies have indicated that drivers generally understand and act on the symbols more rapidly than on written instructions, according to the division of highways.

Above, on the left, is the sign which will be used to indicate a decrease in the number of lanes (in this case from three lanes to two). On freeways, before they come upon this symbol, drivers will be alerted by signs saying, "Lane Ends, Merge Left." Variations of this symbol will depend on the number of lanes involved and direction of the merging movement.

When going from divided highways to non-divided highways having fewer lanes, a sign saying "End Divided Road" will precede the symbol which will indicate

which lane is to be dropped in order to accomplish the merger. The present multi-arrowed signs, which have been used on freeways to indicate a decrease in lanes ahead, and the lettered signs used on other state highways will be replaced as they wear out or are damaged.

On the right, above, is the sign which will be used in the future to indicate a winding road.

Just before the first turn of the winding road, a curve sign already in use will indicate the direction of the initial curve and usually the speed at which it can be safely taken. The new winding road sign will be located just beyond the first curve and will replace the present sign which spells out "Winding Road." The older signs will be replaced as they wear out or are damaged.

Both new signs have been recommended for use throughout the nation by the National Joint Committee on Uniform Traffic Control Devices.

PEDESTRIAN DEATHS IN STATE SHOW GAIN

Pedestrian deaths in California are up 11 per cent over last year, Lieutenant O. P. Ledford, officer in charge of the California Highway Patrol's Truckee substation said this week.

"And the tragic fact is that more than one-third of the 514 deaths recorded during the first eight months of 1961 were persons 65 and older."

"These dark days are particu-

Fred Schultz is temporary chairman, and present members are Red Waddell, Joe Murphy, Don Vance, Bob Jenkins, Dr. Marvin Schwartz. New members are welcome and invited to attend and join the Toastmasters.

First aid classes in advanced and standard courses will be taught at the Kings Beach fire house starting about the 20th of January. Teachers are Ella Rae Fulton, Tom Hoffman and Audrey Welch. Call LI 6-3406 or contact one of the teachers to enroll in the classes.

Rowena Self and daughter, Sandra, 12, are new residents of the North Shore having moved here from Reno. Rowena is a director of Davada Inc., which was recently formed in Nevada. A meeting of the corporation in late January will consider the acquisition of properties all over the west valued in excess of \$900,000.

Friends will be sorry to learn of the death of Jess Rees, 87, of Portola who passed away on January 11th. Mr. Rees was the uncle of Otis Wing of Kings Beach. Wallace Wing, Otis' brother, (Continued on Page 5)

RECORDER HAD BUSY YEAR REPORT SHOWS

NEVADA CITY—Last year was the busiest in the 108-year history of the Nevada County recorder's office according to Recorder Ted Kohler, Jr.

In 1961 a total of 8,053 documents were put to record. Previous highs were in 1960 when 7,388 documents were recorded and 1959 with 7,394.

Vital statistics, exclusive of Grass Valley and Nevada City also reached a new high last year. Deaths in 1961 totaled 280 compared with 226 the previous year and births totaled 434 compared to 360 in 1960.

In 1961 there were six subdivisions filed and there were eight filed the previous year.

larily hazardous for the pedestrian because earlier darkness and unfavorable weather conditions tend to reduce the driver's visibility.

"The older person is especially susceptible to an accident because he may take a few seconds longer crossing a street, and he is unable to react as quickly if an automobile suddenly appears."

"Both drivers and pedestrian have a responsibility to exercise additional caution," the lieutenant said. "Drivers should be alert to the danger of reduced visibility, particularly at night when pedestrians are difficult to see."

"Persons walking along a roadway should always face traffic, wear light or bright-colored clothing, and if possible, carry a light. When crossing streets, pedestrians should be certain that approaching drivers see them before stepping into a traffic lane."

West Shore Notes

By MRS. ELLEN ATTARDI
Telephone JU 3-3917
Tahoe City

Mr. and Mrs. Phil Geier have returned to their Tahoe City home after a vacation spent in warmer, but not sunnier spots. They spent

the New Year in Arcadia visiting with their daughter and son-in-law, Mr. and Mrs. Charles Bailey, and grandchildren Susan and David. From there the Geiers journeyed to Palm Springs, Phoenix and Las Vegas before returning home. Welcome back!

Wedding bells rang for Sue Clancy and Norm McKinnon last Sunday at Holy Trinity Episcopal Church in Menlo Park. Both young people have resided for several years at Squaw Valley

where both are employed at the Squaw Valley Lodge. Sue came here from Menlo Park while Norm hails from White Rock, Canada. The young couple are honeymooning for several days before returning to their Squaw Valley home.

New neighbors in Tahoe City are Hugh and Peggy Jacobsen and three daughters. They moved into a home on Cedar Street from Truckee.

There's much activity these days at the California Alumni Center in Tahoe City. On Thursday, members of the Institute of Industrial Relations checked in at the center for a three day conference and immediately following this conference will be a four day convocation of the Western States district of the American Alumni Council which will be attended by one hundred delegates.

Next week-end has been set aside for a group meeting of the Western Dean's Conference.

More bravos for ace skier Jimmy Heuga of Lake Forest and the University of Colorado! Jimmy presently is in Europe as a member of the United States Ski Team which is in training for the world championships to be held in Chamonix, France next month. Last Sunday he participated in a special slalom race with the top skiers of the world held in Switzerland and Jimmy placed ninth, the only American skier to finish in the first ten.

One of the local hunters who has bagged his quota of pheasant is W. J. Urch of Homewood. He reports he got his limit last weekend in North Sacramento.

Pinelanders Jan and Carl Cordes are leaving this week-end for Westwood where Carl is scheduled to participate in a special two week engineering management training course given under the auspices of UCLA. On completion of the course, they will spend several "for fun" days in Scottsdale, Arizona.

Pat and Malcolm Fox kept it in the family last week when Pat says Malcolm crashed into her and Malcolm says Pat hit him. Anyway — their two vehicles went into each other near their Squaw Valley home with no major damage either to occupants or vehicles. Other minor car crash incidents involved the Sophie and Lee Baker car which took off by itself from near their Squaw Valley home and went through a fence and yard and several other minor barriers before coming to a halt without any damage being done. And still another car incident in Squaw Valley when a guest-driven car sideswiped Rosemary Lindsey as she was driving out of the Valley — also with no damage done to car occupants.

The Crosby Invitational Golf Tournament will be speculated this weekend by Al and Dorothy Lewis

NARCOTICS TALK IS HEARD BY ROTARY

TAHOE CITY— Speaking at a dinner meeting of Tahoe City Rotary Club at Tahoe Inn, Clyde Carpenter of the state bureau of narcotics, told members and guests of the use of narcotics and its degrading effects and showed a movie film of a confirmed "dope user" who had been confined and deprived of the drug for several hours. The subject who had been promised relief immediately after the filming and an added supply of the drug went through unbelievable agonies that most people not familiar with the use of narcotics would expect.

Carpenter said that the smoking of marijuana is slower in habit forming and the habit is not too hard to break if, started in time but the use of opium or its by-products soon seizes the user with a desire that he will commit petty crimes to obtain money to buy the drug at very high prices. The speaker said he knew of no confirmed user of morphine or its by-products who had ever been really cured. He said they will take the cure but eventually they go back to the drug.

Carpenter who has been a narcotics agent for the past 31 years and a teacher in that field since 1951 told how his lectures before law enforcement agencies and service clubs had resulted in many apprehensions of marijuana peddlers and some narcotics dealers.

Harvey Hopkins was program chairman.

Charles W. Lauppee, Roseville Rotarian and candidate for district governor attended the meeting and spoke briefly on objects of Rotary.

of Tahoe City. They will be in the gallery at the Pebble Beach, Cypress Point and Monterey courses.

Mrs. Ralph Rauscher of Cedar Crest was honored at a stork shower given Tuesday night at the Tahoe City home of Mrs. Dave McBride. Co-hostesses with Mrs. McBride were Mrs. Jean LeGras, Mrs. Harold Farr, Mrs. Dick Reuter and Mrs. Bob Jorgensen.

More than thirty guests attended the party.

Mrs. Pauline Sheehan is at home in Lake Forest after a short stay at Tahoe Forest Hospital where she underwent minor surgery last week.

Members of the Monday Night Bridge Club met last Monday night at the Pineland residence of Liz LaGras. Playing honors of the evening went to Holly Wilson of the Highlands and Jan Cordes of Pineland.

Big winner at the Far West Ski Association veterans giant slalom championship race held last Sunday at Dodge Ridge was Jim Baker of Tahoe City. Baker placed first in the class one competition with a sensational run down the 3,500 foot course. Also placing in the class one competition was his brother-in-law, Dick Leuschner of Merced.

A surprise "pink-and-white" shower was tended Helen Rauscher on Wednesday by members of the TST group at the Pineland residence of Theodate Phillips. Members of the group also exchanged "white elephant" gifts.

Alpine Meadows will be the locale this weekend for the Far West Ski Association qualifying races for junior racers of the northern division. This is the second qualifying race to be held this season and was originally scheduled to be held at the Reno Ski Bowl but poor snow conditions at the Bowl made it necessary to move the site to Alpine Meadows.

The slalom races will be run on Saturday and the downhill runs will be raced Sunday. It is anticipated that all junior racers of the Lake Tahoe Ski Club will participate in the competition while members of the club will cooperate with officials from the Reno Ski Bowl in putting on the races.

Larry DeWalt, three year old son of the Darrel DeWalt of Tahoe City, is recovering from a tonsillectomy performed last week.

Happy birthday to both Yvonne Baker and Stevie Cross who both observed their natal dates last week. Yvonne is the daughter of Mr. and Mrs. Jim Baker and Stevie the son of Mr. and Mrs. Charles Cross, Jr.

McCOSKEY NEW HEAD OF LAKE SHRINE CLUB

KINGS BEACH— H. E. McCoskey, businessman and long time resident of Crystal Bay, was installed as head of the El Tahoe Shrine Club at a gathering held last week.

S. E. (Bud) Mandeville turned over the club's charitable and social affairs at the party marking the end of his term in office. Other Shriners installed were W. E. Gray, vice president; E. J. Stokes, secretary and Robert Washburn, treasurer.

The El Tahoe Shrine Club is composed of Shriners belonging to both Kerak Temple of Reno and Ben Ali Temple of Sacramento. Clayton Phillips, illustrious potentate of Reno's Kerak Temple, and his divan of officers performed the installation ceremonies.

Fred Schultz, manager of the Lake Tahoe-Sierra Chamber of Commerce, said this is only one of many activities held at North Tahoe the year around.

"Resort owners," Schultz said, "offer the visitor all winter attractions possible from the thrill of a ski slalom to the excitement of Nevada's cosmopolitan casinos." He added that the chamber will extend any assistance to a visitor — accommodations, reservations or information—from its Kings Beach office.

LAKE FIREMEN FORM AREA ORGANIZATION

KING BEACH— Through the office of the Lake Tahoe-Sierra Chamber of Commerce it was learned today that a Lake-Wide Firemen's Association was formed January 12. The new group is composed of delegates from fire organizations from each of Lake Tahoe's fire counties and their meeting was heralded as major break-through in efforts to unify the lake-wide protection in this scenic sierra region, according to Joe Fulton, chief of the North Tahoe Fire District.

At their next meeting, to be held at an early February date in Truckee, the group will elect officers, adopt a program and ratify by-laws. All paid and volunteer fire fighters are eligible to membership in the association. Chief Fulton stated and interested persons may join the group for a minimum associate fee of a dollar a year, he concluded.

Organization of the Fireman's Association for the Lake Tahoe Area is a long awaited move toward establishing a general fire protection plan for the region to assure future generations of visitors and residents that the beauty of Lake Tahoe's fine stands of timber will be guarded in the best possible manner.

Rick Jellin, son of Mr. and Mrs. Walter Jellin is presently on sea duty with the U. S. Navy.

THRIFT SHOP PLANS FOR CLUB COMPLETE

The Soroptimist Club at Lake Tahoe selected February 1, as the opening date for the Soroptimist Thrift Shop. Carl Becholdt, Jr., has given the facilities of the Club House, at the Tahoe City Golf Course, to the Club, as a home for their unique project.

Opening on February 1, at 10 a.m. the Thrift Shop will feature household furnishings, bric-a-brac, clean used clothing, ski equipment, costume jewelry, stoves and refrigerators.

For those who wish to place items with the Thrift Shop on consignment, delivery day will be January 28th.

The following chairmen, from the following areas, will pick up small items. Ruth Burris, Crystal Bay; Ellen Sklar, Brockway; Audra Holmes, Kings Beach; Tally Daneri, Kings Beach; Marty Rieck, Tahoe City; Maggie Stollery, Tahoe City.

One of the unusual features of the Thrift Shop will be hot coffee served to customers all day, every day of the sales, furnished by Blanche Donaldson, of Donaldson's Coffee Shop of Tahoe City.

Bonnie Barnett, sunshine chairman, recently hosted a Soroptimist Birthday Party for Soroptimists at the Kings Beach Bowl. Birthday celebrants were Maxine Bacus, Ruth Burris, Virginia Cassella, Dorothy Donaldson, Audra Holmes, Dorothy Kornstien, Helen Beaverson, Ruth Mizner, May Murray, Louise Scoville and Marty Rieck.

Entertainment was provided by Thelma Scriver and Pat Acker, with community singing providing a finale to the festivities.

Soroptimist Regional Governor Mary Lorentzen, governor of the Southwest-Pacific Region, was married in Reno on January 11. Soroptimists from the Lake Tahoe Club were invited to the champagne reception that followed. Attending the reception from Lake Tahoe were Bob and Tally Daneri, Helen Beaverson, Mildred Mathias, Ruth Mizner and Maggie Stollery.

LAST RITES ARE HELD FOR HULDA NIELSEN

AUBURN — Funeral services were held Saturday in the Auburn Funeral Home for Hulda S. Nielsen, 87, a resident of Auburn for 25 years.

She formerly lived in the Lake Tahoe area for more than 30 years where she operated a resort. A native of Sweden, she died in a local rest home.

Surviving relatives include a niece, Mrs. Edith Bidstrup of Suisun City, Solano County, and two nieces and a nephew in Sweden. Burial was in the Auburn District Cemetery.

ANNUAL MEETING OF CHURCH SCHEDULED

SQUAW VALLEY—The second annual meeting of the United Church of Christ at Squaw Valley will be held in the Converse Room of the church Thursday evening, January 25.

A pot luck supper will be held prior to the meeting beginning at 6:30 p.m. The meeting will start promptly at 8 p.m. Those wishing to attend may call OL 8-4187 to learn what to bring for supper.

During the business meeting of officers will be elected and the church program will be evaluated with plans for the coming year, Rev. Franklin Evans announced.

TAHOE FIRM SEEKS PAINTING LICENSE

SACRAMENTO — (CNS) — The contractors' state license board announced it plans to issue a painting and decorating contractor's license to Tahoe Painting, Inc., P. O. Box 295, Pineland Drive, Tahoe City, if no protests are received by Feb. 1.

The firm listed its officers as Martelli M. Rieck, president; Walter G. Finke, vice president; and Rosezella F. Finke, Secretary treasurer.

CHRISTOPHER ENTERS RACE FOR LT. GOV.

Pledging himself to campaign for "an aggressive policy of realistic cooperation with labor and business to provide a healthy, job-producing industrial climate in our State," Mayor George Christopher of San Francisco announced he will be a candidate for lieutenant governor of California.

He will file as a candidate for the Republican nomination for the state's second most important position in the June 5 primary election.

CARD OF THANKS

We wish to express our very sincere appreciation to members of the Truckee Volunteer Fire Department, the Nevada County Sheriff's Department and all others for their very splendid work in suppressing the fire which occurred Tuesday night in our Circle B Ranch home. We are truly grateful.

HAS OPERATION

Mrs. Carol Verdi was operated on at the Washoe Hospital last week for a ruptured disk and is getting along as well as can be expected after a major operation. Mr. and Mrs. Verdi recently returned home after a six week trip back to Boston, New York and Chicago where Verdi has a trucking interest in a coast to coast trucking operation. Son Gene managed the resort in their absence.

NEVADA CONVICTS TO GIVE NEEDED BLOOD

Immediately following the announcement that two North Lake Tahoe children, Donald and Anna Marie Bardo, require frequent blood transfusions to combat an incurable disease, 100 inmates of the Nevada state prison at Carson City requested permission to furnish all the blood they will need in the future.

Warden Jack Fogliani gave permission and with the help of Deputy Warden Leland Brawner and Captain Orville Jackson set in motion machinery necessary to have the program carried out.

Last Thursday, technicians from the Southwest Blood Bank at Reno went to the prison and obtained 54 pints of life prolonging blood for the Bardo children.

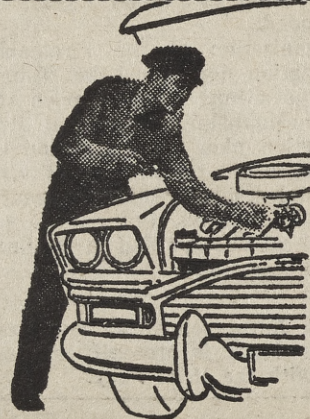

The blood is free to the Bardo family. That is the way the prisoners want it.

SKI HALL OF FAME IS PROPOSED LOCALLY

Plans for an international ski hall of fame to be located in the Nevada building at Squaw Valley were revealed by the International Ski Hall of Fame, Inc., at a meeting of the International Olympic Press Club in Reno last week.

William J. Mullen is president of the corporation and other officers include Harry Spencer, advertising executive, vice president; William J. Raggio, vice president and Walter Ramage, secretary-treasurer.

Mullen said there has been no prior consultation with national or international ski organizations and that the corporation is not associated with any group or individual. He said that an admission charge would be made with the proceeds eventually used for "charitable and ski activities" which were not detailed.

JUNIOR QUALIFYING RACES SET AT SQUAW

Site of the Northern Division Junior Qualifying Races, originally scheduled for Reno Bowl, Mt. Rose, January 20 and 21st, has been moved to Alpine Meadows. The Reno Ski Club will stage the event.

"We hope all writers will give space to this notice — as it is a very late change and we can only hope that we will be able to reach all the racers and their parents with this notice of change," said Clark Wilson, Reno Ski Club Race Chairman.

As originally scheduled, all entries should be forwarded to Reno Ski Club, c/o Clark Wilson, 1942 6th St., Apt. 17, Sparks, Nevada. Entries close on January 18th.

The slalom will be run at Alpine Meadows on Saturday, January 20th and the downhill, Sunday, January 21st. Both courses will be open for inspection on Friday, January 19th.

RECIPROCAL FISHING LICENSES APPROVED

Any person possessing either a valid California angling license with appropriate stamps or a valid Nevada angling license may now fish Lake Tahoe or Topaz Lake from the shore of either state or in any part of the two lakes, reminds the department of fish and game. California or Nevada residents under 18 years of age may fish from either shore or any part of the two lakes without a license.

The reciprocal license agreement and uniform fishing regulations, applying only to Lake Tahoe and Topaz Lake, were adopted last month by both the California and Nevada Fish and Game Commissions an abecame effective Jan. 1, 1962.

ACCIDENTS

(Continued from Page 1)

after his car collided with one driven by Frank J. Barghoorn, 25, Grass Valley on Donner grade at 9 p.m. Friday. Patrolman Edward McCallen, who investigated, said Poston apparently attempted to pass a truck on a curve, applied his brakes and skidded into the Barghoorn vehicle. No one was badly injured.

Carolyn Rogers, 20, Squaw Valley, suffered minor injuries when a car operated by Peter E. Paine, 22, Squaw Valley, parked along the Squaw Valley road Tuesday evening was struck by one driven by William McDaniels, 63, Crystal Bay. McDaniels applied his brakes and skidded into the parked vehicle, the patrol said.

Jack Turner, 37, Reno suffered injuries Tuesday at 8:30 p.m. at Observation Point when he skidded on the ice and crashed into a guard rail and swerved into an embankment.

No one was injured Tuesday at 4:45 p.m. when cars driven by Melvin Maxwell, 65, Chico, and Waldron B. Byers, 30, Tahoe City collided at Pineland.

SIERRA WINS MEET, EDGING OUT CHICO

Host Sierra College again won the Northern California Intercollegiate Invitational Ski Meet held this past weekend at Donner, Squaw Valley and the Sugar Bowl, but Chico State and Nevada put up strong competition before bowing in the three-day event.

Final scoring found Sierra edging out Chico State. Total points were Sierra - 373.4; Chico, 350.5; Nevada 334.3; and Arizona State 146.0.

Individual stars in the four events were Paul Grist of Nevada, who won both the Slalom and downhill; Ed Ronnestad, who won the jumping event and finished second to Grist twice and took a third in the cross country; and Jon Madsen of Nevada, who finished well in all four events.

WARNING IS ISSUED FOR ALIEN RECORDS

The United States Immigration and Naturalization service reminded all aliens in the San Francisco district area today that less than two weeks remain in which non-citizens must file their annual address reports as required by law.

Ralph H. Holton, district director pointed out that address report forms are available at the nearest immigration and naturalization service office and at all post offices for the convenience of non-citizens required to report their addresses to the government each January under a provision of the Immigration and Nationality Act of 1952.
